Dear Sir.

I respectfully beg leave to write to you that I am one of the Petitioners of the Red River Expedition of 1870 and as my name has appeared in The Montreal Witness & Canada Newspapers, as one of those who have not received their Land grants as compensation for the services they gave.

At the time the land grants were made over to those who formed the Red River claim was in - but I was advised by my claim by over sight did not - to make use of it at that time as the survey was not far advanced & therefore did not push my claim. And becoming very much confused with the Volunteer force as well as other matters of this Province

I never took time to go and get my
claim filed up. and like a true sol-
dier he Left home to fight
+/- The time I applied for, and obtained
my warrant for Service in the Mil Mina Expe-
I then drew the attention of the Department
to my not having received my Land grant,
The Department intimated to me that they
were going to get out a list of all who
had not received their Land grants, and
were settled for - And about a year ago
I wrote the Department about it. This
reply was, that the matter would get due
consideration very soon.
What I claim is the amount of
said grant given to the Officers of the
Indiana, at that time. notwithstanding
time appearing on the Pension Rolls
ing entitled to the Bounty claim.
+/- The forming use of the two words and
necessary + Just out; ing of the Expedition
+ grounds. I offered to act as enrollment
- the commissary + transport- ing.
I was called before the Organizing
com. for information I drew their attention
+ to having a short time previous obtained
the Initiating Enlistment (Military + Infantry)

and humane deed to run Cavalry Horses
for Time. Where we done a good, in loading
Horses & open for the U.S. professional
Train Civil War, and afterwards, and
had much to do with the handling of Hay
& grain, forage, &c.

When I produced the date of my building
Certificates and my appearance with Horses,
Cars & Hay feed, along with the Provisions
for the men &c

The Examining Officer said all was correct,
and for me to go over to the Loading
of the Horses, as the Train of Box Cars
was in waiting, as well as the Steamer al-
-ready loading wood. I was not given time to fill
out my application for a Commission; as
I supposed from what was said in the Office
that it would be attended to with as little delay
as possible. It fell my lot to do a great
deal of daily supervising of the supplies
as well as much to do with the Shipping
of the Horses and Men, and all kinds of
daily doings after the feed &c. for both men
and Animals.

Will you please send me a few copies of
such Applications for the Land grants as
I may be others who will call for them. as I
am here doing superintend with all or
good part of Education of the Province.

If it is possible can you let me send his own business address - otherwise his name & those who drew their grants I will remember & keep to secure the same.

Please send me insured letter - This kind would be kind enough if address.

Sir,

Replying to your letter of the 23rd ultimo, respecting undelivered Military Bounty Land Warrants issued in connection with services in the Red River Expeditions of 1870-71, I am directed to inform you that before any steps can be taken towards delivering Land Warrant No. 0116, issued to James Barr, it will be necessary for you to establish your identity with the James Barr who served in the Red River Expedition and to whom Military Bounty Land Warrant No. 0116 was issued.

For this purpose, therefore, you should file in the Department your discharge certificate, accompanied by a statement giving your regimental number, the number of the Company in which you served, and the name of the Captain thereof, together with a certificate from some person cognizant of the facts, to the effect that you are the person who actually served in the Red River Expedition.

In this connection, I may inform you that Land Warrants issued for services in connection with the Red River Expedition entitle the grantee thereof to 160 acres of land available for homestead entry in the Provinces

To. James Barr, (retired)
13 Green Avenue,
Westmount, P.Q.

Provinces of Manitoba, Alberta or Saskatchewan, and that there is no distinction made between the grants made to officers and those made to the men, each Warrant entitling the grantee to 160 acres.

This Department is not in a position to furnish you with a list showing the Volunteers who received their grants, nor are there any blank forms of application therefor.

Applications for these Land Warrants should be addressed to the Secretary of the Department of the Interior at Ottawa, and should contain sufficient information to identify the applicants with the persons to whom the Land Warrants were issued.

For this purpose, therefore, the discharge certificate of the applicant should be filed in this Department, and his regimental number should be given, together with the number of the Company in which he served, and the name of the Captain thereof, and a certificate from some person cognizant of the facts, setting forth that the applicant actually served in the Red River Expedition, and that he is the person to whom the Land Warrant was issued.

I have no hesitation in identifying you as the James Baker who enlisted with me at Montreal in May 1870. for service in the Red River Expedition Force then being organized. SECRETARY OF THE DEPT. OF THE INTERIOR,

OTTAWA, ONT.

DEAR SIR:-

Concerning my claim to a land grant in the North West of our Dominion, for service in the Red River Expedition in 1870, etc., and in reply to your letter of the 3rd. June last, and file No. 21828, I may say that I enclose you a letter of identification from a well known member of Expedition referred to, and who is now a well known solicitor, of the Town of Lacombe, N.W.

With regard to my discharge, I fully and earnestly believe that an attempt or copy of the same should be in the Office of Militia Department, to be referred to if need be. At any rate, I can give you an extract of my military memorandum book, relating to matters, and with reference to my service on the expedition.

I was enlisted as a Private in Montreal, on May 1st, 1870 and our Battalion was sent to Toronto, where the Expedition was being formed up, and while we were there, which was about a month, we were trained to get ready for the route, during that time men were all told off to their duty.

In my case, I held a 1st Class Artillery Certificate, and as there were many Artillery Horses of the Imperial Force not on as Transport teams, and in case the Field Artillery were to

RECEIVED

PAT. B'CH,

Memorandum:-

In reply to Department of the Interior Reference [illegible] of 25th August last, the undersigned has to express regret that an answer has not sooner been sent. There has been much correspondence during the last two years between Lieut.-Col.Barr and this Department on the subject of his claim to Land Grant, and it was desirable that the correspondence should be looked up and considered and also, if possible, that the signature should be found of the James Barr in whose favour Land Warrant 3116 was issued, hence the delay.

The correspondence which has passed between Lieut.-Col.Barr and this Department shows that as far back as 5th December, 1903, he made a claim for Land Grant, not as an enlisted man of the Quebec Battalion, but as an Officer of the Expedition. He was then told by the Deputy Minister of this Department that -

> "A Land Warrant has been issued to one James Barr who served as a Private (Regt. No 162) in the 1st Ex edition, the number of which was 3116. If you are the James Barr referred to, and have not received the Grant, kindly inquire of the Department of the Interior."

In reply to that he said -

> "I would respectfully say that I was not the James Barr referred to. The volunteer of the same name who was referred to must have been the one of the Ontario Regiment of that Expedition, as I never got any intimation from the Department of Militia of my claim or right having been adjusted. At any rate I never received any grant."

And again he said -

> "I may say that my service on the

Expedition was an exceptional one. At the time of the formation of the Expedition in Toronto and after I was so far examined regarding my experience in military duties and my acquaintance of the serviceableness of the transport teams."

And again on 10th May, 1911, he said -

"There was no other James Parr in the Quebec or 2nd Battalion of the Red River Expedition of 1870 but myself, but I did understand at the formation of the two Battalions, at Toronto, there was one of that name in the Ontario Battalion."

Then, in his letter, addressed to the Secretary of the Department of the Interior, on 23rd March last, he says -

"What I claim is the amount of land grant given to the officers of the Expedition at that time, notwithstanding the name appearing in the Press notices as being entitled to a Private's claim."

And he further stated -

"Being so much engaged in the duties of a Volunteer Force in the Province of Quebec that my claim for a Land Grant was not pushed to a settlement, although having sent it forward to the Department at the time the men of the Force received their Grants and discharges, as my claim was in the hands of a Member of the House of Commons, and it was at a time when there was a little ruffle in the House regarding the survey of the Province of Manitoba. My claim was laid on the Table at the time."

All through the correspondence the claimant does not at all base his application on the fact that he was an enlisted soldier, such as the James Parr in whose favour O.116 was issued. If he was not so enlisted and rated as a private soldier, of course, he could not be the man in question. In view of the fact that Lieut.-Col. Parr does not claim to have served as a Private, it would be well to get him to make a statutory declaration, setting forth whether or not he enlisted as a Private in the Quebec Battalion, or what the nature of his engagement or undertaking with the Government was before leaving home, and, if he did enlist as a Private, who the Captain of his Company

was,and all the particulars connected with his enlistment and his movement from Montreal to Toronto, and from Toronto to Fort Garry. If he was not enlisted,he should state the nature of his undertaking to serve,the terms of such undertaking,the name of the officer or person with whom he made the arrangement,and all the particulars which he can possibly remember concerning it.

Herewith returned is Interior File No.212345-89.

In reply to Department of the Interior correspondence [illegible] of 11th November, instant, the undersigned has to say that he had already perused Lt.-Col.Barr's letter of 9th August, and what he, the undersigned, suggested by his letter of 13th November, instant, is that Lt.-Col.Barr should put his statements into the form of a statutory declaration. It may be said that there was no Lt.Fd.T.Patterson with the Expedition. There was a Capt.Barrett. If the claimant has the discharge to which he referred, he should produce it. It was very easy, of course, for him to say that his number was 62, for he could learn from the Militia records that that was the number of the James Barr in question. If the statutory declaration be made as suggested, the undersigned thinks that that will be conclusive proof to justify the Interior in issuing the Land Certificate.

OTTAWA December 22nd, 1911.

Having reference to Department of the Interior file No.215239 of the 21st December, instant, the undersigned has perused and considered the papers therein, especially Lt. Colonel Parr's declaration and statement, which accompanied the same. Lt. Col. Parr seems to be rather astray in two or three statements. One concerning the looking after horses in connection with Field Batteries; there was [illegible] in the expedition; the next statement about the 69th Imperial Corps; there was not any 69th Imperial Corps with the Expedition; the only Imperial Corps was the 60th Rifles, perhaps he meant that. However, as no one else has applied for the land in question and as this officer has made his declaration under oath, there seems to be nothing else for it but to grant him the land certificate. His statements, generally speaking, are consistent with known facts in regard to the Expedition, and as he is a retired officer of the militia, these statements will have to be accepted under the circumstances.

(2) If the father (or mother, if the father is deceased) of any child who has been born on a homestead resides upon a farm in the vicinity of the homestead, the requirement as to residence may be satisfied by residence upon such farm.

SIR:

Request for Transfer of Dominion Lands.

Re: Gotthard Klein - No.258207.
S.E.¼ 24-21-9-W.4th M. - Med.

The above named settler secured advances from the Board totalling $700., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Klein requesting that patent to his homestead should be issued in favour of the Board. Mr. Klein states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for such charge. This is confirmed by the letter from the Secretary of the Department to the Board, dated the 13th instant, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in case of this character, special Regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1921,(P.C.1411), which enables the Minister, on completion of duties by the settler and on the request of the Board, to grant the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of the Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ of 24-21-9-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Soldier Settlement.

Sir,

I beg to inform you that your homestead entry for the North west quarter of Section 27, Township 16, Range 16, West of the 4th Meridian, will now be cancelled in accordance with the abandonment you have executed and the land made available for re-entry, provided the local agent of Dominion Lands is aware of no reason to the contrary.

When re-entry is granted, the improvements, which you state consist of breaking and seeding in 1917 and 1918, will be valued by a Homestead Inspector, and the amount of such valuation will be collected from the person securing the land.

If at any future date you are in a position to fulfil the required settlement duties, and desire another homestead entry, it will be necessary for you to make a written request addressed to the Secretary of the Department of the Interior, Ottawa, for this authority, so that the transaction shall be on record here.

Your obedient servant,

Roy O. Lennig, Esq.,

Mr. Lloyd holds the W.½ of 22 and S.W.-27-17-10-West 4th [illegible] and his application for patent for same was approved on 17th April,1915.

He has now written the Department stating that he has 80 acres of his homestead seeded and expects to seed from 10 to 20 acres more this spring, and he intends to return to the homestead and break and seed 30 acres to oats and flax this harvest, the remainder, plant his potatoes and garden etc.,

He asks that he may be permitted to count his time in connection with his homestead and pre-emption while he would be 10 days on his scrip and 10 days on his homestead travelling back and forward to look after the crop in each place.

The patent for the scrip has been approved and would ask would the residence on the scrip not count to his credit in connection with his homestead duties, or would the short periods of 10 or 12 days on each be allowed to count to his credit.

Respectfully submitted,

MAY.

P.-AEC. B. O. No. 1604.

EDMONTON, Alberta,
October 14th, 19

Re S.W.¼, 27-17-10-W. 4th Mer.,
Charles F. Lloyd.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all liens, Municipal and Joint Relief registered against the S.W.¼, 27-17-10-W. 4th Mer., for advances made to Charles F. Lloyd, be discharged.

The Board submits the report of the acting Director, Debt Adjustment Act, dated June 24th, 1938, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That prior to the advances being made the debtor mortgaged the said land to the Manufacturers Life Insurance Company.

2. That the Mortgagees foreclosed upon their security and became the registered owners thereof and that by such foreclosure all liens were eliminated therefrom.

3. That after securing title to the said land the Mortgagees did not protect their interest therein, and title has passed to the Department of Municipal Affairs, as administrators for the Municipal District of King No. 185, under Tax Recovery Proceedings.

4. That this land is situate in the Tilley East Area and has practically no value.

5. That under the arrangements made the said land will not be open for re-entry or for sale, but will be held only for grazing purposes, and any revenues derivable therefrom will be so small that there is no possibility of making any payment on account of the said liens.

6. That the debtor abandoned the land in the year 1935, and left the district, all trace of him having been lost, so there is no possibility of making any collection under his personal covenant.

The .....

The Board therefore recommends that all liens registered against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:

Seed Grain & Relief.

Charles P. Lloyd of Alderson, Alberta, received the following advances from the Municipal District of Mine #183.

Seed Grain:

Lien:

March 27th - 1922	$110.00	5301 CX.	Sw. -27-17-10 w.4th.
June 1st - 1922	30.00	5303 CX.	" "

	$205.75		

Relief:-

March 27th - 1922	$114.60	5302 CX.	Sw. -27-17-10 w.4th.
June 1st - 1922	25.00	5304 CX.	" "
	$139.60		
Int. to Dec. 31/28 -	65.69		
	$205.29.		

Lloyd lost all his assets, through crop failure, and, in 1923, he abandoned the land and left the country; his destination was the U.S.A. and he has not been heard from since.

The Manufacturers Life Insurance Company foreclosed a prior mortgage on the land, but they have allowed title to pass to the Municipal District by Tax Recovery Act proceedure.

E. J. Frean, Esq.

The land is situated in the Tilley East Area and has no value other than it's availability as part of a grazing area.

I would recommend that this account be written off as "uncollectable, both as it affects this man's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government.

Yours truly,

Acting Director.

Mr. Hume

Re S.E.¼ 33-27-10-W.4th M.
Pre-n. Earl Monroe Green.
13th April, 1910.
Patent applied for.

The Agent in submitting the application for patent in this case forwarded form #58 which he states was completed by the pre-emptor before Mr. C.F. Clark, who was then Senior Assistant at the Medicine Hat office, according to which no residence was performed from the end of September, 1914, to the 10th of April, 1917, while in the application for patent, and according to the Homestead Inspector's report, continuous residence is claimed from March, 1914, to the 24th of December, 1918.

It will be noted the application for patent is dated the 24th of December, 1918, and that the entrant has since been written to on several different occasions for an explanation, who it would appear has not furnished the same. In view of his failure in that regard it was decided to procure a report.

Homestead Inspector Mayberry reports under date the 27th ultimo in this regard as follows--

> "There is no improvements other than all fenced on the pre-emption. There is the following improvements on Homestead, house 16x24 $100.00 "being built, one story shanty roof stable 16x30 "bad order $40.00, well 75 ft. complete with pump "and large cattle tank, 40 acres breaking of which "40 was in crop this year. From reports of "neighbours and the appearance of the land I would "consider the improvements all done and that the "entrant has complied with the Act."

It will be noted the form #58 referred to is not signed by the pre-emptor.

DEPARTMENT OF THE INTERIOR
CANADA

OTTAWA 20th November, 1920.

S.E.¼ 33-23-10-W. 4th M.
Pre-emption of Pirl Monroe Green.
Entry granted-12th April, 1910.

S.W.¼ 33-23-10-W. 4th M.
Homestead of Pirl Monroe Green.
Patent issued-7th April, 1914.

Mr. Green applied for patent for his pre-emption on the 20th December, 1918, claiming continuous residence on his patented homestead from the 1st March, 1914, to the date of application. He also claimed the breaking of 140 acres and the seeding of a certain area during each of nine years. Please see Form 38-B. The application would have been approved in the usual course if the Agent had not sent down a statement on Form 58, which was apparently made out during a visit by Mr. Green to the Land Office at Medicine Hat on the 11th July, 1917, in which no residence was claimed between the 10th September, 1914, and the 10th April, 1917. Form marked.

Homestead Inspector Mayberry, however, in a report dated the 27th October, 1920, sets out that the neighbours state Mr. Green resided on his homestead from 1914 to 1918.

Mr. Green has been asked several times for an explanation, but has failed to reply to the letters sent him.

In view of the sworn evidence given in the application for patent, and taking into consideration the information given in the report by the Homestead Inspector, I assume that the application should be approved, notwithstanding the details set out on Form 58, which it may be remarked was not signed by the entrant. This point, however, is submitted for your consideration and decision.

Respectfully submitted,

J. W. Stideman, Esq.,
Commissioner of Dominion Lands,

This Department has an old account against the above noted land for advances of fodder and relief to P.M. Green in 1915. Re: Account of P.M. Green
S.E. 33-23-10 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $95.75 were advanced to P.M. Green on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$95.75	$173.80	$269.55

The S.E. 33-23-10 W. 4th Mer. was formerly the pre-emption of the debtor whose entry was cancelled on the 25th of October, 1927, and is still unalienated crown land held in the right of the Province.

In reply to our questionaire of the 11th of June, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present under a longer term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

The Honourable Charles Stewart,

[illegible].

MEMORANDUM:

Re: Request for transfer of Dominion Lands.

Harry Turner, No.180781,
S.S.A. 34-37-[illegible]-W.4th M. - Sask.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $1540, the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Turner requesting that patent to his homestead should be issued in favour of the Board. Mr. Turner states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 5th [illegible], 1[illegible].

In order to enable a settler to negotiate a sale of land in cases of this character, Special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1621), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.S.A. 34-37-[illegible]-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

OTTAWA -

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: E. E. Greenwood,
N.W.¼ 27-19-8 W.4th - Msd.

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in April, 1919, and in due course secured advances from the Board amounting to $2985.33, as follows: permanent improvements, $936.08; stock and equipment, $1574.55; special advances, $414.70. As security the Board holds a charge on the settler's homestead. There is no other land security in this case as our charge against the pre-emption entry has been withdrawn. Release of charge is attached.

The crops obtained by the settler on this farm were very poor and in November, 1921, the settler wrote to the District Office stating that as many farmers were leaving the District that Fall on account of crop failures, etc., that he had decided to do the same. The settler's agreement with the Board was rescinded pursuant to a Quit Claim Deed executed by him on the 19th November of that year.

The settler's indebtedness amounts to $3045.07. The homestead was appraised in May last at $1080. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for similar is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
OTTAWA.

Sir,

S.W. 34, 14, 2, W4th Mer.

I beg to advise you that your application for patent for your homestead, the above described land has been returned by the Department at Ottawa, and it is pointed out that you claim residence with your father Mr. John Ulrich on the North East quarter of Section 34, Township 14, Range 2, West of the 4th Meridian, which land according to the records here stands as the pre-emption of Johann Herrmann.

Again you claim continuous residence from August 1916 to the date of application for patent, 7th February, 1919, on your own homestead, whereas it appears according to evidence on file that you were committed to the asylum in August 1917, and it would not appear that you were discharged until February 1918. It is therefore apparent that you did not reside continuously on your land from August 1916 to February 1919 as represented.

Will you kindly forward me at an early date an explanation regarding these discrepancies, when you will be further advised as to what you will be required to do. Also I am to advise you that it will be necessary for you to furnish your Certificate of Naturalization as a British subject.

Your obedient servant,

Acting Agent, Dominion Lands.

To the Dominion Land and Timber Office

at Lethbridge, Alta .

Gentlemen :

Emmanuel Ulrich has taken up his homestead in January 1914 and has continually resided thereon up to August 1917 at which time he was commited to the asylum and was released some time in Nov . 1917 .

He has build a nice dwellinghouse on his homestead . At present he is temporarily residing with his father on his father's homestead, which by the way can not be John Herrman's pre-emption, as he (the father) is in possession of his patent .

Last year Emmanuel again showed symptoms of the the old trouble, brought on by family troubles, and was for three months send to the Provincial goal at Lethbridge .

The Warden of this institution has testified favorably concerning his behaviour and character .

He his now working on his land and is evidently in pretty fair shape mentally .

His appliaation for citizenship is pending now .

Trusting that this informatéon will fill the bill

I beg to remain

Yours truly

Sir:-

Re: S.E. of 24-14-2 W.4th Mer.

I beg to acknowledge receipt of communication written on your behalf by C. F. Selheim which I am under cover of copy of this letter forwarding to the Department at Ottawa but I am to point out, that the residence with your father, claimed in your application for patent, you state was performed on the S.E. of 24-14-2 W.4th. This quarter section is the pre-emption of John Ferrow and according to the records of this office your father, John Ulrich's homestead entry is the S.E. ¼ of 24-14-2 W.4th. You also claimed continuous residence from 1st of August 1916 to the 1st of February 1919. Mr. Selheim states that you were not in residence from August 1st to November 1917 and also for a period of three months during 1919.

In order, therefore, for you to correct these errors in your application, it will be necessary for you and your witnesses to appear before the Sub-Agent of Dominion Lands at Medicine Hat and execute a Supplementary Statement setting forth the full facts.

Your obedient servant,

Acting Agent Dominion Lands.

ACTION TAKEN

MAY 18 1911

Sir,

I beg to inform you that A. J. P. [illegible] and pre-emption, the East ½ of Section No. Township 17, Range 3, West of the Fourth Meridian, will now be considered in accordance with the declaration of settlement you executed.

You accordingly desire to locate half-breed scrip thereon, and may be permitted to do so.

A copy of this letter is being forwarded to the Agent of Dominion Lands at Medicine Hat, who will allow you sixty days within which to complete the payment of the monies due in connection with the pre-emption and also to locate the scrip, providing he is aware of no reason to the contrary.

I beg to say that location of half-breed scrip on your homestead and pre-emption thereby exhausts your homestead and pre-emption rights, and you will have to complete the title of [illegible] owing to the fact that no duties are required in connection with such application.

Your obedient servant,
